**But TRAINING IS OVER.**

**Your weapon is loaded with duty “lethal” ammunition.**

**Your aerosol spray and baton are real duty weapons.**

**TRAINING IS OVER.**

**Stay Alert.**

**Be Decisive.**

**Remember the pre-planned, practiced responses that you have learned.**

**TRAINING IS OVER.**

**This is a Reality Check.**

**Reality can kill.**

**Stay Strong!**

**Stay Safe!**

**Stay alive and healthy until we meet to train again.**

**“Lock and Load.”**
